Application Date (mm/day/year): _____

Township: _____ County/Township Road Name(s)/Number(s): _____

Estimated Start date and completion date (mm/day/year): Start Date: ____/____/____

Completion Date: ____/____/____

Upon application of _____, hereinafter called **APPLICANT**, for a special permit for authority to operate or move a vehicle or combination of vehicles pursuant to Section 4513.34 of the Ohio Revised Code, and without undergoing the reduced weight requirements of ORC 5577.07 (commonly known as the Frost Law) the Noble County Engineer's Department, acting under the authority of the **BOARD OF NOBLE COUNTY COMMISSIONERS**, hereby issue such a permit.

The permit is issued to authorize **APPLICANT** to operate or move the following vehicles:

The movement of the above referenced vehicle(s) shall be done in such a manner and at such times as to minimize the interference with other users of the above-named roads and to also minimize damage to the roads themselves.
